

Dear Friends,

Each year thousands of young drivers nationwide lose their lives in automobile accidents. While there are numerous causes to these tragic events, a major contributing factor is the use of alcoholic beverages by teenagers.

Shattered Lives of Tomball, Inc, in conjunction with Tomball Police Department, Tomball Fire Department, Tomball High School, Concordia Lutheran High School, Tomball Regional Hospital, Northwest Emergency Medical Services, PHI Air Medical and area businesses, has decided to address the issue on a community wide basis. Shattered Lives of Tomball is being presented at Tomball and Concordia Lutheran High School on a bi-annual basis and will graphically stress the consequences of poor decision making by involving students in the creation of a fatality DWI accident simulating their own death. The program will impress upon teenagers that death is very real and that they are **NOT IMMORTAL!**

The program has been in existence in Montgomery County for several years, and based on positive feedback from the community, is making a significant positive impact on the lives of the teenagers and their parents. In addition to the social impact to those involved and according to the available funding, Shattered Lives of Tomball, Inc. will be awarding a pre set amount scholarship to one qualifying High School graduating senior and one qualifying High School junior, based on their involvement in the program.

Shattered Lives of Tomball, Inc., a tax exempt 501©(3) corporation, is seeking sponsorship for this program. A Sponsor Sheet indicating the various levels of sponsorships to select from are available for you to become familiar with the program and choose your level of commitment.

Please take time to visit the website, www.shatteredlives-tomball.org and click on the video at the bottom. This will provide you with an example of the previous programs conducted at Tomball High School in 2006 & 2008 and Concordia Lutheran High School in 2007 & 2009.
